

Lifetime Warranty

(Flex-A-Bed Premier)

***Because Flex-A-Bed builds every bed by hand,
we stand behind our product with a great warranty.***

This warranty covers the entire bed – each and every component and design feature (even the mattress!), without exception.

Best of all: Our warranty is even transferable. It's not limited to the person who purchases the bed. So if you sell or give the bed to someone else, it remains under warranty.

This warranty does not apply to any product subjected to customer misuse, damage in transit or handling by the delivering agent, or which, in the opinion of Flex-A-Bed, has been altered or repaired by an unauthorized representative in any way that affects the reliability or detracts from the performance of the product. Replacement parts are warranted for the unexpired balance of the original warranty period. This warranty does not include responsibility for transportation or handling expenses except those specified. The foregoing is in lieu of all other warranties, expressed, implied, or statutory. Flex-A-Bed neither assumes nor authorizes any person to assume for it any other obligation or liability in connection with the sale of this product. In the unlikely event that critical repair components become impossible to acquire after the 5th year, and a repair cannot be made, Flex-A-Bed will offer an “in-lieu of” discount of 33% off the MSRP that is in effect at that time toward the purchase of a new mattress or articulating base unit.

If you experience any problem with your Flex-A-Bed at any time regardless of the stage of your warranty, please contact us and we will make every effort to help you.
